

We're ready to grow. Are you ready for a change?

At Sonic, we appreciate the value of hearing and seek to help people find the greatest enjoyment from it. At Sonic, we envision a world where all people can enjoy the sounds that enrich everyday life.

Sonic strives to make an impact on people's lives. It's seen in our commitment. In the quality of our products and services. And in our reputation as an honest, friendly and reliable company. If this sounds like a company you'd love to be part of, we're excited to talk to you about joining our team at **Sonic AG in Bern, Switzerland**.

To strengthen our international sales team we are looking for an:

International Training Manager

To provide training, technical and clinical support to internal staff, sales companies and international customers.

Responsibilities

- To deliver high quality training events worldwide
- To develop and execute a training and education plan
- To create training materials
- To deliver input and feedback from the market to international product management and R&D

Your profile

- Master's degree in Audiology
- Good training, presentation and communication skills
- Clinical experience
- Good written and spoken English
- Excellent organizational skills
- Willing to travel internationally (up to 60%)

Your gain

Sonic AG offers you an exciting new challenge in a multi-cultural environment. You will be able to assist in building up and configuring the sales organisation. At your new place of work in Bern you can expect modern-day work conditions and interesting perspectives. Take this opportunity and apply your skills and talents successfully. We look forward to hearing from you!

Initial information can be found at www.sonici.com. Ms Ruth Blättler (+41 31 560 21 21) will be pleased to answer any questions you might have. Please send your complete application documents to the address below:
